

PUSNES emergency box

Easy access to critical spares for continuous operation

Offshore Mooring and Loading Competence Centre Sales Bulletin 0003.00

General

To avoid potential downtime of our equipment it is vital to have quick and easy access to critical spare parts.

Our emergency box is tailored for each vessel and equipment type so that this can be kept in operation.

The contents are selected by our Service department, based on years of experience.

Customer benefits

- Quick access to critical spares
- Easy to store and access
- Includes detailed list and part numbers for easy refill
- Can include relevant drawings if requested
- Cost reducing as spares can be ordered on normal terms and delivery times
- Tailor-made for each vessel
