**Fixed UHMW Heavy Duty Bumper:**  
Creates a larger impact area for varying docks, as well as absorbs more energy and transfers the load back into the trailer or truck body frame.

**UHMW Floating Slide Pads:**  
Lifetime Warranty eliminates the cost of replacing rollers and downtime. New, free floating design means no hardware and faster replacement.

**Pre-Mounted Marine Potted Toggle Switch:**  
Protected against elements, pre-installed in a location that allows easy viewing of the platform work area.
