

S1500

New, mk5 Superloader column tail lift with 1500 kg lifting capacity.

A heavy-duty column lift for demanding working environments. The robust design provides an economical and durable solution combined with low maintenance requirements.

Combines low installed weight with robust design to maximise payload and vehicle uptime:

- **Lighter:** 60 kg compared to previous mark.
- **Safer:** Reduced risk of entrapment by removal of platform lock protrusion.
- **Reduced Maintenance:** New wear pad material for columns and plated, lubrication-free chain.

The S1500 is designed to be both easy to operate and simple to maintain. It is the ideal lift to support your busy operation.

For all 12 – 26 tonne vehicles
