

HD1500

Heavy-Duty column lift with optional power closure.

A heavy-duty column lift with a fully treated steel platform and extra durable high strength steel columns for demanding operational environments. The robust design provides an economical and durable solution combined with low maintenance requirements. The Heavy Duty version features a robust steel platform design for high payload distribution with an option for power closure function to optimise tail lift operation.

- **Durable:** Designed for heavy duty, high intensity loading operations.
- **Safety:** Hinged Safety Guard and Fence options for improved operator safety.
- **Smooth Operation:** Power closure option reducing the need for manual effort.
- **Reduced maintenance:** New wear pad material for columns and plated, lubrication-free chain.

The lift is designed to be both easy to operate and simple to maintain. It is the ideal lift to support your busy operation.

For all 12 – 26
tonne vehicles

SUITABLE FOR

- Food and Beverage distribution
- Laundry delivery
- Construction material delivery

HD1500 Specifications

Column width	Max 2540 mm
Platform depth	1050 – 1220 mm*
Lifting capacity	1000kg/1500 kg
Bed height min/max	Up to 1450 mm
Platform	Steel
Weight of complete lift	635 kg
Max vehicle weight	26 t

*See specification sheet for details.

HD1500 OPTIONS

Safety

- Wrap around fences – extended
- Pair detachable side guards
- 3-way folding ramp to the front of the platform
- Switch over control on dual control
- Hinged side ramps
- Flashing lights
- Switch over control on dual controls

Operation

- Power closure
- Standard column length
- Battery guard
- Dual controls, with or without Wanderlead (spiral cable)
- Standard column length
- Low noise coating
- Low noise power pack

Material

- Platform in steel
- Tail lift frame and column in steel

Installation

- Bolt on design
- Tail lift bracing kit for approved RUPD
- To suit roller shutter door application

Warranty

- 12 months parts and labour as standard
- Extended warranty
- R&M with extended warranty coverage

For full specification and possible combination of options please refer to lift data sheet and price list.

UPTIME ASSURED WITH DEL SERVICE & SPARE PARTS

To keep your tail lift fit for work, we start with preventive measures such as regular planned maintenance and the exclusive use of high-quality original parts. Should problems arise, we minimise your downtime with national 24/7 breakdown coverage and a broad network of service workshops with spare parts in stock. Everything is set up to ensure your business keeps running smoothly and you keep delivering.

Hiab Tail Lifts include three brands: DEL, ZEPRO and WALTCO.

Hiab is the world's leading provider of on-road load handling equipment, intelligent services, smart and connected solutions. As the industry pioneer and with a proud 75 year history, Hiab is committed to be the preferred partner and solution provider to its customers and shape the future of intelligent load handling.
