

LOAD MORE. DRIVE LESS.

MULTILIFT ULTIMA 28Z

Merging unmatched versatility and durability with a 28-tonne lifting capacity, MULTILIFT Ultima 28Z lets you complete the most demanding tasks faster, with fewer hauls.

MULTILIFT Ultima 28Z provides:

- 28-tonne lifting capacity for the toughest jobs.
- The versatility, ease, and safety of MULTILIFT Ultima Z-units.
- Increased productivity for specialized operations: trailer, machinery, loading dock, railway, liquids transportation, etc.
