

FC500

THE ALL-IN-ONE SOLUTION

The FC500 is a convenient solution for full-closure tail lifts that can be fitted in a single installation.

The latest generation of FC500 has all the benefits associated with the DL500: Fully galvanised steelwork in high grade steel, protected power pack in the beam, and torsion assisted platform for ease of operation.

- **Increased payload:** The integrated design saves installed weight to maximise vehicle payload and improve fuel efficiency.
- **Ease of service:** Critical hydraulic components are contained within the tail lift beam for protection and easy access.
- **Reduced maintenance:** Wear pads as standard to minimise maintenance and all-anodised aluminium finish protects the lift even in the harshest of environments.

The DL500 is very easy to operate and very simple to maintain. It is the ideal lift to support your busy operation.

For all 3.5
tonne vehicles

SUITABLE FOR

- Vehicle hire
- Wholesalers
- Retail deliveries
- Local authorities
- Laundries

FC500 Specifications

Column width	2065 – 2250 mm in 10 standard widths*
Platform depth	1065 – 1370 mm*
Lifting capacity	500 kg
Bed height min/max	800 mm/1060 mm
Platform	Aluminium
Weight of complete lift	195 kg
Max vehicle weight	3.5 t

*See specification sheet for details.

FC500 OPTIONS

Safety

- Auto erect fences
- Drop down fences
- Fixed ramps and trolley stops
- Switch over control on dual controls

Operation

- Battery guard
- Built-in slimline control
- Dual controls, with or without Wanderlead (spiral cable)
- Fixed ramps

Material

- Platform in anodised aluminium
- Top door in light weight polymer material

Installation

- Plug and play installation

Warranty

- 12 months parts and labour as standard
- Extended warranty

For full specification and possible combination of options please refer to lift data sheet and price list.

UPTIME ASSURED WITH DEL SERVICE & SPARE PARTS

To keep your tail lift fit for work, we start with preventive measures such as regular planned maintenance and the exclusive use of high-quality original parts. Should problems arise, we minimise your downtime with national 24/7 breakdown coverage and a broad network of service workshops with spare parts in stock. Everything is set up to ensure your business keeps running smoothly and you keep delivering.

Hiab Tail Lifts include three brands: DEL, ZEPRO and WALTCO.

Hiab is the world's leading provider of on-road load handling equipment, intelligent services, smart and connected solutions. As the industry pioneer and with a proud 75 year history, Hiab is committed to be the preferred partner and solution provider to its customers and shape the future of intelligent load handling.
