Regulatory documents
ECE R105

Certificate of conformity

Products

Tail Lift, adapted for ADR transport.

ZSSUHD 2000

Comment

We hereby certify that ADR adaptation of the above mentioned products and models complies with the design requirements of MSBFS 2016:8, Chapter 9.2 for the approval of vehicles EXII and EXIII, and may thus be considered to comply with requirements in Section 5.1.1. 5.1.1.6 in ECE R105

Certificate is only valid when the adaptation is performed by the manufacturer.
