

MULTILIFT LOADCOVER
AUTOMATIC COVER
FOR MULTILIFT HOOKLIFTS

GET ON THE ROAD FAST AND SAFE

A MULTILIFT hooklift is a great tool for moving containers. But having to manually cover your cargo after each loading is not a simple task.

With MULTILIFT LoadCover, you can cover any load at a push of a button. MULTILIFT LoadCover saves your time and your back and increases your personal safety as an operator. Get on the road quicker and with less effort. And make sure everyone else is safe too.

MULTILIFT LOADCOVER - THE SMART WAY TO BOOST YOUR HOOKLIFT OPERATION

MULTILIFT LoadCover gives you the following features:

- Fast, automatic operation that saves you time and effort
- The tarp can be mounted in front or in the back of the load unit depending on your needs
- Cover system locked in both ends to prevent sideways movements
- Optimized sturdy design improves stability and protects hoses and cylinders
- Superfast installation – takes only 1 hour
- Easy to retrofit
- Radio controlled

The tarp can be fastened to the mast or in the back of the truck depending on your needs
