

PTBG SERIES

BOTTLED GAS GATE

1,600 lb. Capacity

**The Chain and Sprocket Design is
Reliable, Safe, and Lighter Weight
than Cable and Direct Drive Systems**

*Products shown may feature optional equipment.
Content subject to change without notice.*

STANDARD PTBG SERIES ADVANTAGES INCLUDE:

- Fence collapses with the platform using standard quick release pins to allow direct access to the cargo area
- Lightweight low incline aluminum ramp for easier loading and unloading of cylinders
- Load safety device - stops platform from dropping in case of lift chain failure
- Fully enclosed power unit
- Charge line circuit protection
- Weather sealed electric controls are easier and safer than mechanical controls
- Pressure compensated flow control valve controls platform descent regardless of load weight
- Powder coat finish on key liftgate components produces a high-quality finish that is exceptionally resistant to corrosion and abrasion

Pick-up truck application bottled gas gate.
Direct-lift chain style liftgate for maximum
load stability.

Designed Simplicity - Maximum Performance
