

DEL DL500

THE MOST EFFECTIVE SOLUTION
FOR LAST MILE DELIVERIES

THE NEXT
GENERATION!

The next generation of the popular DL500 is here.
Now even better for your business!

This column lift is the most popular lift for 3.5-tonne vehicles within the industry as it is quick to fit, ultra light and extremely reliable offering excellent value for money.

- **10% lighter:** Increase payload. Same strength and rigidity.
- **Smooth operation:** Low noise. New, flush platform lock design.
- **Safer handling:** New catch design. Anti-tilt feature improves platform operation.
- **Some things haven't changed:** Lifting capacity 500kgs. Fully galvanised steelwork (anti-corrosion). Power pack in the beam (weather resistance, easier to service). High grade steel construction. Torsion assisted platform (ease of operation).
