An extended warranty means one less worry. Investing in an extended warranty helps you take control over unexpected and potentially expensive costs.

We can now offer you an extension of the 12 month warranty period up to 24 or 36 months for a one-time fee. The extended warranty includes both material and labour costs and you are guaranteed original Hiab service and spare parts. To put it simply: less hassle, less worries.

Extended warranties available:

- 24 months
- 36 months

Conditions:

- Max. number of lifts is limited depending on your crane's S-classification (S0, S1 or S2). This is described in your crane's Service and Warranty handbook
- Your crane's recommended service/maintenance intervals must be followed

Exceptions: Wear and tear parts (paint, slide pads, seals, filters, oil etc.), and cranes without Space system such as CLX. For complete terms and conditions please see Service and Warranty handbook.

Please contact your closest Hiab dealer for more detailed information.
